The Principles of Chaos

Emotion - is the ability to perceive

those feelings that
come from the heart,
as opposed to those
from the mind.

Tolerance - is that
which encourages the
acceptance of all
things.

Enthusiasm - is the
energy that allows one
to perform great
tasks.

The Chaos Forces
without the Order
Forces create Chaos
Anti-Forces.

Emotion deprived of
Logic would foster an
inability to overcome
emotional impluses
with rational
thoughts, which
argurs Insanity.

Tolerance without
Ethicality leads to
Anarchy.

Enthusiasm
without Discipline
promises actions
without
self-restraint and
that leads to
Wantoness.
